Happy New Year!

We at Eco-Diaper Service would like to wish everyone a happy and healthy 2010! Make 2010 the year to become more eco-friendly. Here are some simple ways to live a more environmentally friendly life with your baby:

- Check out many of the great children's resale and consignment shops in the Orlando area
- Look for baby products that are made from sustainably harvested natural materials like wood, organic cotton, and bamboo
- Use less plastic—from shopping bags and water bottles to food storage containers and Ziploc bags
- Use cloth wipes instead of disposable wipes
- **And of course, use cloth diapers!**

Send us photos of your eco-friendly baby in cloth diapers and he/she could be featured on our website or newsletter!
