Cloth Diapering Accessories

While Eco-Diaper Service does carry a few cloth diaper accessories, we by no means have an extensive variety. Many of you are familiar with www.weewilliewinks.com which is a great online cloth diapering store run by a very knowledgeable local mom. She carries an assortment of diaper covers, wet bags, flushable liners, and many other products.

If you let Wee Willie Winks know you are an Eco-Diaper Service customer when you place your order, Eco-Diaper Service will deliver it with your regular diaper delivery!! That way you will save the money it would cost to have it shipped or the time it would take to pick it up!

Send us photos of your eco-friendly baby in cloth diapers and he/she could be featured on our website or newsletter!
